

A Psalm of Praise – To God, From Teen Advisors, Inc.

God, you are so good to Teen Advisors, Inc. THANK YOU for your presence. THANK YOU for your provision. THANK YOU for your faithfulness.

We praise You for...

- the environment that TAs sets for the staff and that trickles down to the environment for the students.
- Answers to healing prayers
- progress for new programs
- the team leaders we have and the ones that WILL BE BACK!!!
- for donations that come in week after week
- an awesome v-staff team this year :) it has been absolutely amazing.
- well attended events & lots of fun at the events
- students really connecting with our staff
- successful classroom sessions- we've had a presence in all of our schools
- ALL of the lives that you have saved through this ministry. Literally. Spiritually. Physically. Emotionally.

We thank You for...

- fantastically talented, flexible, dedicated staff team
- open doors into the schools
- favor with churches and other facilities to host our events (usually for free!)
- steady interest & growth into new schools
- a staff full of absolutely amazing people...
 - people who are trustworthy and will give good advice.
 - people who show grace and give precious guidance and wisdom.
 - people who willingly take students under their wings and help them through some of the most difficult years of their life.
 - people who seek You and long to honor You.

We praise You for...

- providing financially the means to continue these ministries
- providing sweet, wonderful volunteers who give so freely of their time to keep things running--we could NOT exist without them
- providing dedicated, Christ-centered field staff to reach out to the students in our community
- providing sweet times of fellowship among our staff members so that we, too, are impacted in positive ways by this organization.
- providing us with Team Leaders for each school, year after year

We thank You for...

- an incredibly dedicated & passionate & generous Board
- the fact that both of these ministries change lives on multiple levels:
 - student level for the kids actually involved with TAs and Velocity
 - student level for the 6th and 9th graders (vertical student level),
 - student level for 7th and 8th graders and 10th-12th graders who aren't involved, but are still impacted and hopefully even encouraged by the positive example set by our students (horizontal student level)
- family level...siblings, parents, grandparents, and cousins can all be effected, changed, or whatever by the lives our students live

We praise You that the impacting waves of these two ministries are SO far-reaching...that they make a difference to people who may never even actually hear of TAs or Velocity. How amazing is that!? You are so good to us! Thank you for letting us be a part of Your work in Teen Advisors, Inc.

Every good and perfect gift is from You. We recognize you as the giver of all of these gifts to Teen Advisors and to Velocity. May we be excellent stewards of all the gifts that you have given.

We give You the gifts You've given us back to you as a form of worship and adoration and affection. We love you. We trust you. May *Your* will be done in Teen Advisors, Inc.
